

How You Can Help Support fonesforsafety[®]

Adopt fonesforsafety[®]

- Adopt fonesforsafety[®] as part of your organisation's Corporate Social Responsibility (CSR) and Environmental policies.

*fonesforsafety[®] offers the opportunity to link your organisation's Corporate Social Responsibility and Environmental Policies with a London-wide and National initiative that makes a tangible difference in supporting and empowering individuals affected by domestic violence.

Promote fonesforsafety[®] to your staff

- Host a collection box for your staff
- Feature fonesforsafety[®] in your internal staff newsletters and intranet
- Adopt fonesforsafety[®] within your existing and/or new corporate mobile phones and communications procurement contracts
- Encourage staff to suggest ideas to increase donations from family and friends

Promote fonesforsafety[®] to your clients and customers

- Host a collection box and/or distribute freepost envelopes for/to your clients and customers
- Display leaflets and posters at your reception and/or sales points
- Incorporate fonesforsafety[®] into the strap line/signature on your outgoing emails
- Quote your support of fonesforsafety[®] in your annual report and CSR promotional material
